Additional Details:

- **Schedule repeats weekly** for the duration of your program
- Shadowing is typically 5 hours per day, and is spent with the doctors when they are available, so you'll also have free time for lunch and other activities during the weekdays. There are typically two students shadowing in each department at a time. **Sample shadowing rotations are available on the next page.**
- Weekly Group Outings are organized by your site manager and could be something like a hike, a cultural excursion or a visit to a nearby city.
- Group meals take place twice a week.
